BARCELONA

TOTAL EXPERIENCE:

More than 4 years in different temporary jobs: Waiter, automobile factory laborer, lighting factory laborer, parcel delivery person, food delivery person, stocker, customer service tele-operator and Charity Fundraisers

WHAT HAVE I LEARNED IN THOSE YEARS OF EXPERIENCE?

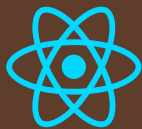

In the different jobs in which I have worked, I have learned different skills that have helped me improve personally and professionally, such as: discipline, order to carry out the work correctly, involvement, concentration, sacrifice, responsibility with commitments, the perseverance to learn, soft skills necessary to work successfully in a team such as communication. Skills that help me give my best in the workplace.
